Rivstart A1+A2 Rivstart is a book that gives more information about the everyday life in Sweden today. With 400 text pages and an accompanying audiofile of about 5 hours it contains a broad range of material about Sweden in today's world. Rivstart övningsbok The English word övningsbok is also used in the English version, as the övningsbok () is the fitness books (similar to the English "fitness" book) for Swedish people, in the Swedish language. The övningsbok is used to give Swedish people information about healthy and active living, and to be inspired and motivated to be more active. A1 + A2 The 2nd edition of 2d92ce491b
