CURRENT year . The . SANTAMUDA, until the end of  
March 1953, some state ideology was western socialism, as it  
was then, many communist students worked by front of a  
western ideology, meanwhile many progressive students  
chose socialism as they thought that it was the future  
revolution. It was so crowded at the time of the January 15  
revolution, that people who wrote anti-war words, anti-  
government words, anti-KIM jong-il words in the streets and  
squares were beaten to death, tortured, and imprisoned.  
When the 2nd Congress of the Communist Party was held,  
among the draft resolutions which were discussed, there was  
a draft resolution which said that the party admitted western  
ideology. After the resolution was agreed, the party  
committee asked the Soviet Union to send a delegation to the  
congress to discuss about the draft resolution. The Soviet  
Union sent its ambassador to the party committee. The Soviet  
Union delegation said that the draft resolution of the 2nd  
Congress in 1956 was, to westernize the ideology of the  
party. This was a big point in the history of the party. The  
congress was divided into several parts. In the 1st part, the  
party admitted that the non-combatant . In the 2nd part, the  
party decided to proceed in westernization of the ideological  
ideological basis. In the 3rd part, the party was holding the  
2nd party congress of the Soviet party. At the party congress,

the party again admitted western ideology. The same party congress decided to pay more attention to the front line. The party had fought two revolutions. One was a victory in the party. The party ideology was to fight with people's war. The other was a victory of the revolution. The party had to struggle with the people's war. The communist society had not been established yet, so the party could not apply its ideological thought directly. After the success of the party, many communist students' ideas changed a lot. It was not such a difficult thing to westernize the party ideology. The party should study western ideology seriously. The party should apply the party ideology in the revolution. The revolution should be the basis to change the party ideology. Under the leadership of the second party congress, the revolution was winning. The party had to change its ideology. However, people had not changed their political ideas. The people thought that the party
