The tournament was held in Kingston, Jamaica between 7 and 23 March 1996. The title holders, Bermuda, were heavily fancied to win the tournament having defeated Trinidad and Tobago in the third place play-off in 1995. However, a disappointing performance throughout the tournament, coupled with their unexpected defeat to the Windward Islands in the semi-finals, saw Bermuda eliminated from the tournament in the first round. The main highlight of the tournament was the play-off for the third and fourth places, which saw the Windward Islands and Trinidad and Tob

Vertiginous Golf torrent FullQ: Git: Add only new files I'm currently doing some experiments with git. One of the commands that I'm currently using is the following one: \$ git rm -rf. # remove all files from the current directory \$ git add. # add all files that were not removed Is there a way to add only new files and/or remove all other files? A: If you're using git 1.7.0 or later (not sure which version the rm -rf will remove this from): \$ git update-index --assume-unchanged \$ git add. A: If you use git 1.7.0 or later, you can simply add the --assume-unchanged flag. If you are using a pre 1.7 version of git, you can use the --cached or --only-matching flags. A: If you want to remove all of your files except for one, I found it helpful to use git add --cached. It looks like this: git add --cached git rm --cached This will remove all the files but not remove the one I am adding files to, which is in the same directory. Q: How to calculate the Time Difference in hours from two SQL Server tables with the same ID I have a problem where I need to calculate the hours between two table with the same IDs.
