### Fastfile For Zone Patch Alter Mp Is Newer

I'm trying to play Radiation online and I go back to the main menu and it says it's corrupted or unreadable "Fastfile for zone 'radiation mp' is corrupted or... I already know how to solve this problem, but why am i getting this error? What is "Radiation"? Please help me Radiation is a video game developed and published by Tallink in 1994 and released in 1997. The game is also available on PS1 and Xbox. In this game, you play as a young man who returns from a survival mission only to find that his world has changed. At the place where his village used to be, there is now a radioactive zone, and all the inhabitants have turned into the walking dead.
