A: If you want to use the printer with your Win10 PC, you should download a Canon Pixma driver for your Windows. Canon Pixma printers works only with Windows OS. Once you have installed the Windows driver, then you can install the printer software from online. I don't know if it is possible to use a printer installed only in Mac OS without Windows drivers. ORLANDO, Fla. — The Orlando Pride are no stranger to suspended NWSL head coach Tom Sermanni.

The Pride have been on the outside looking in on the Washington Spirit's decision making process for the last two seasons. In 2016, Sermanni was suspended from the league for an internal investigation and in 2017 the Pride noticed how the Spirit could have so easily missed one of the biggest opportunities of the season in the NWSL Championship. Now with two consecutive titles and an almost flawless NWSL Season to end in, the Pride are not shy about voicing their opinion about what has been a continual problem within the league. The league is great, but the players are not being treated that way. They are being neglected & having some players in this league not being rewarded for what they've given to this league for the past seven seasons. B —

Oliver Ruelas (@OliverRuelas) October 23, 2018 “We have a really great relationship with the league,” said captain and right back Alanna Kennedy. “I'm sure that they'll want to see us doing the right thing, and I think that's fair because we've given so much to the league.” But, the Pride believe that these players deserve a little more time and consideration. “You can't play in the NWSL for seven years and then, just because the NWSL is growing, have your salary increased,” said defender Amanda Frisbie. “I think that's just obvious.” Yet, the Pride believe the league has already shown they have their mind set and will continue to ignore them in favor of more and more young, developing players. “All they're doing is making more money and keeping more money,” said center-back Alanna Kennedy. There is a balance and the Pride believe that with each passing season, the NWSL is going to have to
