I found this app helpful in helping me study. As for the issues I have with the app, it has pretty serious errors. Some of the answers are not in order. They also made a lot of grammatical errors and misspellings. I did not even try to grade the tests as I did not want to open up the app and see it was not legit. I would recommend for new users and those looking to get more education out of their app, get it somewhere else because it's a joke. Needs fixing 1/5 By East Ron I need help fixing this app. I am a student and this app has wrong answers and some answers aren't even words. The graphics aren't good either. I also cannot make up my test because there isn't any option to do that. The only thing that can be done is to see if you got the right answers. I have tried to email the developer but never got any reply. DON'T BOTHER! 1/5 By MNOvivi I was looking for a good quiz app that I could use to study for my test. This app has all the answers in a little box when you click the right one. I thought it was a great idea. After I started studying for my test, however, I had a sense of impending doom. So I started to examine everything on my screen for clues. There was not one hint of an error, everything was in order and everything I was seeing
